To whom it may concern:

During the past three years, I have had the distinct pleasure of having Mike McKelvie work for me at Monte Hewett Homes, starting as Senior Project Manager and finishing as Vice-President of the Florida Division.

Mike was responsible for management of all aspects of constructing and selling homes in our Florida division. In addition to not only building our spec and custom built homes, Mike also constructed two of my personal homes with extraordinary care.

Mike's work was exemplary. He built homes in a timely and efficient manner, quality control was of the utmost importance to him and he insured complete customer satisfaction. On the administrative side his payroll was timely, reports detailed and vendor invoicing was analyzed and accurate.

He is industrious and dedicated. His approach to his job can be characterized as truly professional. I wish him continued success in his future endeavors.

Sincerely,

Monte Hewett
